**Title: Technical visit to the Government Dockyard**

**Date / Time:** 15 October 2021 (Friday) / 2:00pm – 5:30pm

### Visit Highlights:

The Government Dockyard is the base for the design, procurement and maintenance of all vessels owned by the Government. It occupies a site of 9.8 hectares on Stonecutters Island and has an 8.3-hectare protected water basin as an operational base for vessels operated by the Marine Department, the Hong Kong Police Force, the Customs and Excise Department, and the Fire Services Department. The dockyard has 10 covered docking sheds, four movable canopies and 30 open-yard docking spaces for repair and maintenance of vessels. The dockyard also has a ship-lift system and three ship travel hoists capable of shifting vessels of up to 750 tonnes to dry docks. An on-line computerised information system is employed to co-ordinate the maintenance activities and support services to maximise maintenance efficiency and vessel availability.

The visit is limited to a maximum of 30 members.
